CUSTOMER TESTIMONIES

DAVE LAVAL, BECKFOOT SCHOOL, BRADFORD

“ I like working with SLT Tours because I can come up with all types of criteria and they always manage to fulfill it. It never feels like a hassle and they never make us feel like we’re being awkward, they are just happy to accommodate. You can tell SLT have teaching experience as they understand the pressures from a teacher’s point of view and help alleviate them. “

STEVE FOSTER, LOSTOCK HALL ACADEMY, PRESTON

“The trip was excellent value and the cheapest the school has ever paid for this type of visit. Also, having a tour manager with us throughout the tour made life so much easier for the group leader. Des ensured that we arrived at every meal on time, tickets were ready for each event and also arranged a room for us at the hotel for the kids to relax in. He really put my mind at ease.

VERONICA CORDERO, THE MACKAY SCHOOL, CHILE

There were 74 of us and I'm sure I speak on behalf of all of them when I say that it was the best tour of our lives. The hotel checking in and out process was always so fast and easy, and when you're travelling with that many, that's really something you appreciate! The tour managers were so helpful and they had such a positive vibe, they really helped us make the most of this 25-day experience. Thank you!

PRESLEY POLONNOWITA, DESERT CLUBS, DUBAI

SLT Tours and Desert Cubs have been in partnership for more than 8 successful years. They managed to deliver us a super, tailor made tour in 2013 managing 7 cricket teams. When I talk about SLT it's all about the quality, focus, top level delivery and customer satisfaction. We've had various successful tours to the UK, South Africa, Australia and India. Desert Cubs will always go through SLT for their tours and we highly recommend them to all our friends and academies too.

DANIEL GREEN, QUALITAS, SHEFFIELD

The Barcelona Cup was an experience of a lifetime for me and my son. The entire trip was extremely well organised, and superbly ran by our tour guide Jess. Our tour manager could not do enough for the group from the minute we left the airport, and even sorted our transport to the Nou Camp after we'd purchased match tickets. I would not hesitate in recommending SLT.

● PE & SPORT TOURS

Counties - UK, Ireland, France, Italy, Belgium, Germany, Netherlands, Spain

PE Tours are a brilliant way to engage with your students. Studies have proven that tours improve the relationships between students, this can therefore affect their whole schooling life. It takes them away from the pressure of school and exams for a bit and it allows them to relax, have fun and learn all at the same time.

We can take you on a tour that focuses on either just one sport or a variety. For example we could take a school away on a combined tour appropriate for both football & netball players. We can also do multi-subject tours, for example we could design a trip to accommodate for both geography students and PE students.
