# CUSTOMER TESTIMONIES

## TOM - WEST HAM FOUNDATION

“ Our SLT Tour Manager ensured our players, parents, and coaches had an absolutely amazing time. Their planning, attention to detail, and commitment to the tour made everyone feel welcome and included. They went above and beyond to ensure all attending were never bored and that key information was communicated clearly.

## NATHAN - QUALITAS

“ SLT Tours have been fantastic with Qualitas over the last 3 years. They have offered Qualitas Teams once in a lifetime opportunities they wouldn't get elsewhere! International tournaments in Spain to France and looking forward to Holland 2024! We always look forward to the Tours with SLT each year!

## FRANKIE - BALLERS ELITE

“ SLT are absolutely brilliant! We have used this company for 3 years in which they have put on fantastic tours for us and our players/parents. From UK tours to International tours, SLT have managed to leave our players, parents and staff itching for the next one year after year. We look forward to working with SLT again in preparation for our international tour to Salou, Spain!

## LEE - THE AXHOLME ACADEMY

“ What a fantastic football tour we had to Barcelona through SLT Tours. No stone unturned when it came to planning, communication, and the facilities they provided. The Tour Manager made our lives so much easier with their knowledge and experience of the area. SLT gave 44 students an experience they'll never forget, and I would have no hesitation in using them again.

## MICHAEL - MINSTHORPE COMMUNITY COLLEGE

“ SLT were very meticulous in the planning of the itinerary. They worked with us over numerous phone and video calls to ensure that the itinerary was right for us and they were more than happy to switch things around to suite our needs.

All the potential stressful situations on a school trip were made so much less so because of the excellent tour manager that SLT provided. For example: Getting the students through the airport. Finding the coach to take you to the accommodation. Finding the football grounds of your opponents. Dealing with a student that needed medical attention. Getting tickets for a La Liga match.
